OPERATION

To turn unit ON: Press the power button. Light will turn on HIGH.

Press again to change to LOW

To turn unit OFF: Press the power button.

MOUNTING & ADJUSTING

Detachable magnetic base
Directional: Point in any direction you want

ROTATING

Mount the ball on the base, turn the ball to the desired angle to direct the light where required.

DETACH

The ball can be detached from the mounting base to be used as a handheld light.

MOUNT

The mount has a magnetic base that can be attached to metal surfaces.
Built-in hook allows for the light to be hung.

CHARGING

1. Remove the outlet cover.
2. Insert the USB-C charging cable.
3. The red indicator light will appear while charging. It will change to green once charged.
4. Remove the charging cable and replace the outlet cover.

SAFETY GUIDELINES

Do not cover lens while in use.

Do not use near flammable liquids, gases, or in high temperatures.

When the light begins to dim, stop use and charge immediately.

Do not charge the unit for more than 24 consecutive hours with AC adapter and 8 hours with DC adapter.

Do not use in water or wet conditions. Store in a clean, dry environment.

Keep out of reach of children.

Never stare directly into the light.

Strong impacts may cause damage to the unit, handle with care.

WARNING

Do not disassemble product.

Do not charge the battery if the product / battery is cracked or damaged.

Do not short terminals, crush, heat above 60°C, throw into a fire, or incinerate. Please recycle.

CARE INSTRUCTIONS

Ensure that the unit is charged every three months to protect the life of the battery.

Store the unit between 20°C and 30°C to prolong the battery life.
