### CHARGING

Roam Tap contains a 3.7V lithium-ion battery and includes a USB charging cable.

**Step 1.** Plug the charging cable into the USB-C outlet.

**Step 2.** Plug the USB cord into any USB outlet on a computer, wall adapter (not included), etc.

**NOTE:** Charging while using a USB wall adapter will be faster than a computer USB port.

**Step 3.** While charging, the **POWER INDICATOR** flashes.

**Step 4.** Once it reaches 100%, the **POWER INDICATOR** will be solid. Remove the USB cord and store.

**NOTE:** Always use the supplied cable for charging. Ensure that the unit is fully charged every three months to protect the life of the battery.

### SETTING UP

**Step 1.** Attach the base to the tap.

**Step 2.** Attach the hose to the tap.

**Step 3.** Place the tap on a flat, level, stable surface.

**NOTE:** Ensure the hose passes through the gap in the base.

**Step 4.** Place the hose in a container filled with clean fresh water.

- Products distributed by Adventure Operations Australia Pty Ltd and any of our subsidiaries come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if products fail to be of acceptable quality and the failure does not amount to a major failure.
- In addition, we warrant that this product will be free from defects in materials and workmanship under normal use as described in the published product documentation for **1 year** from the date of original purchase (Limited Warranty). This Limited Warranty is only valid and enforceable in Australia and will apply only if you have purchased the product from us or our authorised resellers.
- To the extent permitted by the Australian Consumer Law and any applicable local law:
  - our obligations under this Limited Warranty are limited to the repair, replacement or refund of covered parts that prove defective under normal use during the Limited Warranty and does not extend to any claim for damages that you or any other person may have for any loss (including without limitation consequential damages or loss of profit, freight/shipping or travel costs), or damage howsoever caused whether or not such loss or damage arises as a result of any defect in the product or from the failure or omission on our part to comply with any obligation at law;
  - in replacing a defective product under the Limited Warranty, we may, at its discretion, substitute a model of equivalent nature where the exact model is unavailable;
  - this Limited Warranty does not apply to damage caused by failure and damage caused by improper use and abuse, fair wear and tear, accidents, misuse (including failure to follow instructions regarding care and maintenance of the product), neglect, disassembly, alterations or external causes such as, but not limited to, water damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical current supplied to the product (if applicable), and extreme thermal or environmental conditions;
  - we may elect, at our discretion and as an alternative to repairing or replacing a defective part to refund the cost of the relevant product upon it being returned to us; and
  - this Limited Warranty does not extend to any products acquired for the purposes of re-supply, or for use in a manufacturing, or repair processes.
- This warranty may be claimed by:  
returning the product to its place of purchase, with a detailed proof-of-purchase clearly showing the date and detail of the purchase;
